What are the top five skills employers are looking for?
Teamwork for Active Learning

Lani Uyeno  
Professor CC, English  
Leeward CC

Leanne Riseley  
Professor CC, Educational Media Center  
Leeward CC

Participants will be able to:
● identify why teamwork should be used to create an active learning environment
● participate in a teamwork activity
● identify three strategies to facilitate teamwork during the activity
● know where to find more information and further training on the topic
Teamwork Activity
Teamwork Activity

1. Take a sheet from the packet.
2. Notice your role.
3. Read the question carefully.
