# 2021 Budget/Funding Bills (Operating Budget)

General appropriation bill reflects disproportionate general fund reductions.

- Legislature decided to cease general fund support for Athletics programs at Mānoa (\$3,600,000) and Hilo (\$400,000). Funding will be eliminated in the upcoming biennium.
- Hawaii Promise Program will not receive the \$700,000 augmentation in general funds (\$1,800,000 in recurring general funds in the budget) but will receive \$1,300,000 each year of the biennium in American Rescue Plan Act (ARPA) funds.
- New Program ID for Cancer Center created (UOH115). This will not significantly alter current funding allocations from Mānoa (UOH100), and it is unclear why the Legislature felt the need to create this new Program ID.
- Mānoa was reduced significantly more than the other units, and was the only unit to receive the full amount of the Governor's pre-session proposed 15% reduction.

# 2021 Budget/Funding Bills (CIP Budget)

Aggregate CIP appropriations level positive, but specific CIP items are questionable.

- Overall amount of \$203.35 million for FY22 and \$102.64 million for FY23 is decent, although certain items received less than requested funding and there are other projects that were not requested by the Board.
- Less than half of the requested amount for Renew, Improve, and Modernize (RIM) funding for UH System.
- Only first year funding (\$1.5 million) for Waikīkī Aquarium.
- \$10.0 million more for Mānoa Mini Master Plan Phase 2 than requested.
- \$42.5 million for a Resource and Education Center is not a UH-sponsored or planned project, and therefore, its UH-related purpose is unknown at this time.
- \$28.0 million appropriated in the Department of Agriculture for Warehouses with UH as the expending agency for those funds.
