20 Transfers to UH 4-yr

Definition/Description: The number of students who are home-institution at a UH System 4-yr institution for the first time in Fall or Spring, and who were in the reporting program prior to that Fall or Spring. UH Maui College is included when students transfer from any UHCC program to a UH Maui College four year program. Number based on Fall and Spring semester entry.

Note: in the 2014-2015 ARPD, this measure was changed from Fall transfers to annual (fall and spring) transfers to UH 4-yr institutions.

Note: At the college level, an individual student may count in more than one program in the event the student has had more than one major at the college. Each program/major receives the count. Therefore adding transfers by program will exceed the unduplicated college-level transfer number reported in the Strategic Plan.
